## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Union Council on Aging, Inc.  
Farmerville, Louisiana

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Union Council on Aging, Inc., as of and for the year ended June 30, 2006, which collectively comprise the basic financial statements of the Council as listed in the table of contents. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information for the Union Council on Aging, Inc., as of June 30, 2006, and the respective changes in financial position, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 20, 2006, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Management's discussion and analysis and budgetary comparison information on pages 3 through 6 and 20 through 24, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was performed for the purpose of forming opinions on the financial statements of the Union Council on Aging, Inc. taken as a whole. The supplemental information schedules required by GOEA are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

**MANAGEMENT'S DISCUSSION AND ANALYSIS**

Our discussion and analysis of the Union Council on Aging provides an overview of the Council's activities for the year ended June 30, 2006. Please read it in conjunction with the Council's financial statements.

**USING THIS ANNUAL REPORT**

This annual report consists of a series of financial statements. The Statements of Net Assets and the Statements of Revenues Expenses, and Changes in Net Assets provide information about the activities of the Council as a whole.

**Reporting the Council as a Whole**

**The Statements of Net Assets and the Statements of Revenues, Expenses, and Changes in Net Assets**

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Council's net assets and changes in them. The Council's net assets – the difference between assets and liabilities – measure the Council's financial position. The increases or decreases in the Council's net assets are an indicator of whether its financial position is improving or deteriorating.

**THE COUNCIL AS A WHOLE**

For the years ended June 30, 2006 and 2005.

	FYE 2006	FYE 2005

Total Revenues	\$549,248	100%	\$ (34,746)	(6%)

Total Revenues	\$583,994	100%	\$ 34,357	6%

Revenues for the Council increased substantially for the FYE 2005 mainly due to extra miscellaneous revenue from the senior trip collected in this fiscal year and the sale of grant funded books "I Remember Life in Union Parish".

	FYE 2006	Percent	Decrease from FYE 2005	Percent Decrease
Expenses:	Amount	of Total

The Council's expenses increased greatly this year. The increase in the Council's expenses was mainly due to huge increases in gas, maintenance, and utility bills.

### **BUDGETARY HIGHLIGHTS**

The Council's total revenues in fiscal year 2006 were greater than the final budget by \$1,878. Actual expenses for the Council in fiscal year 2006 were less than the final budget by \$26,542. The Council's total revenues in fiscal year 2005 were less than the final budget by \$263. Actual expenses for the Council in fiscal year 2005 were less than the final budget by \$8,499. #### **Debt**

At year end, the Council has a total of \$165,120 in long term debt. The note payables decreased about **four** percent as shown in the following table.

	FYE 2006	FYE 2005
Notes Payables	\$165,120	\$171,849

## **ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND REVENUES**

The Council's revenues are derived mainly from three sources, United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council, and a Parish Wide Millage Property Tax and Public Support. The Council does not anticipate any major increases or decreases in the revenues for the coming year. It is possible that Public Support Revenues may increase due to expansion of the Home Delivered Meals Program.

UNION COUNCIL ON AGING, INC.  
FARMERVILLE, LOUISIANA  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2006

**Note 1- Summary of Significant Accounting Policies**

The financial statements of the Union Council on Aging, Inc. have been prepared in accordance with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. These statements have also incorporated any applicable requirements set forth by *Audits of State and Local Governments*, the industry audit guide issued by the American Institute of Certified Public Accountants; Subsection VI-Annual Financial Reporting, accounting manual for Governor's Office of Elderly Affairs contractors, and the *Louisiana Governmental Audit Guide*. The more significant to the Council's accounting policies are described below.

**A. Reporting Entity**

In 1964, the State of Louisiana passed Act 456 that authorized the charter of voluntary councils on aging for the welfare of the aging people in their representative parishes. Charters are issued by the Louisiana Secretary of State upon approval by the Governor's Office of Elderly Affairs. The Union Council on the Aging, Inc. is a non-profit, quasi-public, corporation which must comply with the policies and regulations established by the Governor's Office of Elderly Affairs, the state agency which provides the Council with most of its revenues. The Council also receives revenues from other federal, state, and local government agencies that may impose certain restrictions upon how the Council can use the money that they have provided.

The primary function of the Union Council on the Aging, Inc. is to improve the quality of life for the parish's elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving the aging people of the parish. Such services include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 14 voluntary members who serve three-year terms governs the Council.

The Council is not a component unit of another primary government nor does it have any component units that are related to it. Therefore, the Council has presented its financial statements as a separate special purpose government.

**B. Financial Reporting**

The Council follows the provisions of the Governmental Accounting Standards Board Statement, Nos. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments* (Statement 34), 37, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus* (Statement 37), and 38, *Certain Financial Statement Note Disclosures* (Statement 38), which establish the financial reporting standards for all state and local governmental entities.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2006

Note 1- Summary of Significant Accounting Policies (continued)

B. Financial Reporting (continued)

The accompanying government-wide financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting and reflect transactions of behalf of the Council. The Council accounts for its funds as governmental funds.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Office of Elderly Affairs Funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. Most of the Council's special revenue funds are provided by GOEA. The Title III funds are provided by the United States Department of Health and Human Services Administration on Aging through the Governor's Office of Elderly Affairs which in turn "passes through" the funds to the Council.

The Council reports the following major governmental funds:

General Fund

The General Fund is the general operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund. These discretionary funds are accounted for and reported according to the source (federal, state, or local) from which they are derived. The following types of programs comprise the Council's General Fund:

Local Funds

Local funds are received from various local sources; such funds not being restricted to any special use.

PCOA (ACT 735) Funds

PCOA (Act 735) funds are appropriated for the Governor's Office of Elderly Affairs by the Louisiana Legislature for remittance to the Council on Aging. The Council may use these "Act 735" funds at its discretion provided the program is benefiting people who are at least 60.

This program provides access services, in-home services, community services, legal assistance and transportation for the elderly.

**Title III C-1 Congregate Meals Fund**

These funds are used to provide nutritional congregate meals to the elderly in strategically located centers.

**Title III C-2 Home Delivered Meals Fund**

These funds are used to provide nutritional meals to home-bound older persons.

The remaining nonmajor funds are as follows:

**Senior Center Fund**

This program provides community service centers at which older persons receive supportive services and participate in activities which foster their independence, enhance their dignity and encourage their involvement in and with the community.

**Nutritional Services Incentive Program (NSIP)**

The NSIP program (formerly USDA) is used to account for the administration of Food Distribution Program funds provided by the United States Department of Agriculture through the Louisiana Governor's Office of Elderly Affairs. This program reimburses the service provider on a per unit basis for each congregate and home-delivered meal served to an eligible participant so that the United States food and commodities may be purchased to supplement these programs.

**Title III-D Disease Prevention and Health Promotion Services**

This program provides funds to develop or strengthen preventive health service and health promotion systems through designated agencies.

**Title III-E National Family Caregiver Support**

Audit Funds

These funds are used to offset the cost of the annual audit.

Supplemental Senior Center Fund

The Louisiana Legislature appropriated additional money for various Councils on Aging through the state to be used to supplement the primary state grant for senior centers. Union Council on the Aging, Inc. was one of the parish councils to receive a supplemental grant.

Utility Assistance Fund

The Utility Assistance fund is used to account for the administration of programs that are sponsored by local utility companies. The companies collect contributions from service customers and remit the funds to the parish Councils on Aging to provide assistance to the elderly for the payment of their utility bills.

C. Compensated Absences

Employees of the Union Council on the Aging, Inc. earn from 10 to 20 days of annual leave each year with 10 days allowed to be carried over to next year, depending on their length of service and the employee's working status (full-time or part-time). Provided that funds are available, employees are compensated upon termination of employment for current-year accrued annual leave up to 5 days. Employees earn up to 12 days of sick leave each year, and can accumulate up to 60 days, depending upon whether the employee is on a part-time or full-time status. Employees are not paid for accrued sick leave at termination and no accrual has been made.

D. Funding Policies and Sources of Funds

The Council receives its monies through various methods of funding. NSIP program funds are provided through the Louisiana Governor's Office of Elderly Affairs to help offset raw food cost in Title III C-1 and C-2 programs. This program is funded under the units of service provided method. The Senior Center program and State Allocation (PCOA) and Supplemental Senior Center funds are received as a monthly allocation of the total budget (grant) in advance of the actual expenditure. The Title III-B, C-1, C-2, D and E programs are funded based on actual operating cost incurred.

The Council encourages and receives contributions from clients to help offset the costs of the Title III-B, C-1, and C-2 programs. Utility assistance funds are also provided by the Louisiana Association of Council on Aging to the Council under the Helping Hands and Heating Help Energy programs. All of the above mentioned funds, including any other miscellaneous income, are recorded as revenue when the cash is received because the Council cannot predict the timing and amount of receipt.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2006

**Note 1 - Summary of Significant Accounting Policies (continued)**

**E. Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Note 2 - Cash and Certificates of Deposit**

At June 30, 2006, the book balance of the Council's bank deposits was \$116,435.

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent.

These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash and cash equivalents (bank balances) at June 30, 2006 are secured as follows:

Bank Balances	<u>\$ 136,140</u>
Federal Deposit Insurance	\$ 100,000
Pledged Securities (Uncollateralized)	<u>245,856</u>
Total	<u>\$ 345,856</u>

Because the pledged securities are held by the custodial bank in the name of the fiscal agent bank rather than in the name of the Council, they are considered uncollateralized (Category 3) under the provision of GASB Codification C20.106; however Louisiana Revised Statute 39.1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Council that the fiscal agent bank has failed to pay deposited funds upon demand.

**Note 3 - Receivables**

Accounts receivable at June 30, 2006, consisting of reimbursements for expenses incurred under the NSIP program was \$546 and revenue from United Way for \$2,957.

UNION COUNCIL ON AGING, INC.  
FARMERVILLE, LOUISIANA  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED JUNE 30, 2006

**Note 9 - Federal Award Programs**

The Council receives revenues from various federal and state grant programs that are subject to final review and approval as to the allowability of expenditures by the respective grantor agencies. These programs are audited in accordance with the *Single Audit Act Amendment of 1996* and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Institutions*. Any settlements or expenses arising out of a final review are recognized in the period agreed upon by the agency and the Council. Also, it is management's opinion that any audits by the grantor agencies would not produce disallowed program costs and liabilities to such an extent that they would materially affect the Council's financial position.

**Note 10-Economic Dependency**

The Council receives the majority of its revenue from funds provided through grants administered by the Louisiana Governor's Office of Elderly Affairs. The grant amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of the funds the Council receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds the Council will receive in the next fiscal year.

UNION COUNCIL ON AGING, INC.  
FARMERVILLE LOUISIANA  
NOTES TO BUDGETARY COMPARISON SCHEDULES  
FOR THE YEAR ENDED JUNE 30, 2006

The Council follows these procedures in establishing the budgetary data reflected in these financial statements:

The Governor's Office of Elderly Affairs (GOEA) notifies the Council each year as to the funding levels for each program's grant award.

The Executive Director prepares a proposed budget based on the funding levels provided by GOEA and then submits the budget to the Board of Directors for approval.

The Board of Directors reviews and adopts the budget before June 30<sup>th</sup> of the current year for the next year.

The adopted budget is forwarded to the Governor's Office of Elderly Affairs for final approval.

All budgetary appropriations lapse at the end of each fiscal year (June 30).

The budget is prepared on a modified accrual basis, consistent with the basis of accounting, for comparability of budgeted and actual revenues and expenditures.

Actual amounts are compared to budgeted amounts periodically during the fiscal year as a management control device.

The council may transfer funds between line items as often as required, but must obtain prior approval for the Governor's Office of Elderly Affairs for funds received under grants from this state agency.

Expenditures cannot legally exceed appropriations on an individual level.

Amounts were not budgeted for revenues and expenses for the utility assistance fund because they were not legally required and the amount of revenues to be received under this program could not be determined.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
Union Council on Aging, Inc.  
Farmerville, Louisiana

We have audited the financial statements of Union Council on Aging, Inc. as of and for the year ended June 30, 2006 and have issued our report thereon dated September 20, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Union Council on Aging, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Union Council on Aging, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information of management, the Governor's Office of Elderly Affairs and the Legislative Auditor and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is to be distributed by the Legislative Auditor as a public document.
